PETITION UNDER 37 C.F.R. § 1.182

Assistant Commissioner for Patents  
Washington, D.C. 20231

Dear Sir:

Applicants have recently been notified that the International Application number provided on the Transmittal Letter accompanying the initial documentation submitted for entry into the U.S. national phase was incorrect. The correct International Application number, PCT/BE95/00068, was supplied in all other documentation submitted in connection with this application. Applicants hereby petition the Patent and Trademark Office to correct the International Application number in the Transmittal Letter and all other Patent and Trademark Office records. Please charge the petition fee of \$130, and any other required fees to Deposit Account No. 11-1410.

Applicants also received a Communication from the Examiner mailed December 7, 1998 indicating that an incomplete translation of the International Application was submitted. Applicants have learned that the French word "valeur" appeared in each of Figures 2-5. Accordingly, Applicants herewith submit corrected Figures 2-5 in which the phrase "valeur

Appl. No.: 08/765,837

surface" has been translated as "surface value." Acceptance of the corrected figures and return of the application to the Examiner for further examination is respectfully requested. Should there be any questions concerning this application, please contact the undersigned attorney at the telephone number appearing below.

Respectfully submitted,

KNOBBE, MARTENS, OLSON & BEAR, LLP
